SSLA has launched a Women Sailing initiative for 2022 and the following years. To fulfil further demands in Switzerland and abroad, SSLA proudly announces the setup of a J/70 sailing camp in Davos for women only, Tuesday August 16 till Friday August 19. Teams and individual sailors are welcome. Six J/70 boats are at disposition. The head coach is Chris Rast, former World Champion on Melges 24, and 3-times participant at Olympics. We have a limit of about 24-30 sailors to attend the camp.

DSSC – the Davoser Segel- and Surfclub – is the host of the camp.

As accommodation we have booked the Sunstar Hotel Davos from 16.-19. August 2022. Both single and double-bed rooms are available. At this hotel, the theoretical lessons will take place.

Contrary to the camps in Tenero, the Davos camp cannot run under the subventions received by the Swiss sport ministry (Baspo) thus it will have another cost structure. Mind: provisionally, the cost for the 4 days lasting camp will be: CHF 850 for the camp, and about CHF 350 for accommodation, Total CHF 1'200 per person. Included are lunch bags, boats, coaches, and one common dinner ("girls evening").
